IT IS NOT ONLY ABOUT
THE FALL, IT IS ABOUT
WHAT HAPPENS NEXT...

PROFORM™ F3

FUNCTION | FIT | FREEDOM

PATENTED RELIEF CORD POST-FALL ADJUSTMENT SYSTEM

Relief cord allows the user to achieve gravity override in seconds, relieving the deadly pressure on femoral arteries.

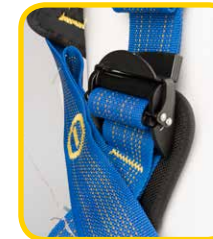

FIT

In order to perform on the jobsite, your harness has to fit right. The ProForm™ F3 comes in four sizes and uses cam torso adjusters, quick connect buckles and roll-down web keepers to set and keep a comfortable fit.

Aluminum Quick Connect Buckles with Indicator

Cam Torso Adjustment

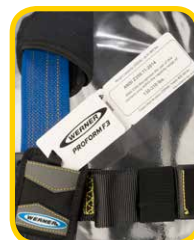

Roll-Down Torso Web Keepers

FUNCTION

No other harness provides immediate post-fall relief like the ProForm™ F3. The built-in features like the dual back pad, SRL bumper and gear loops keep you functioning with maximum productivity on the jobsite.

Label Pack and Protection

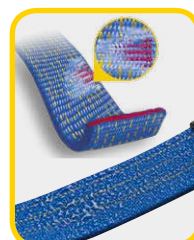

Dual Back Pad System

Impact Indicators

SRL Bumper

WebAlert™ 2

Relief Cord

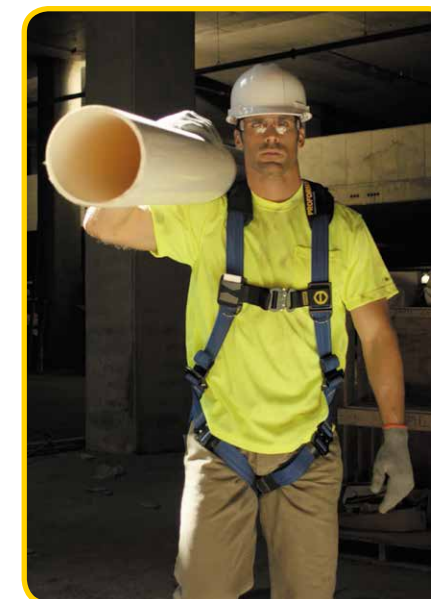

Gear Loops

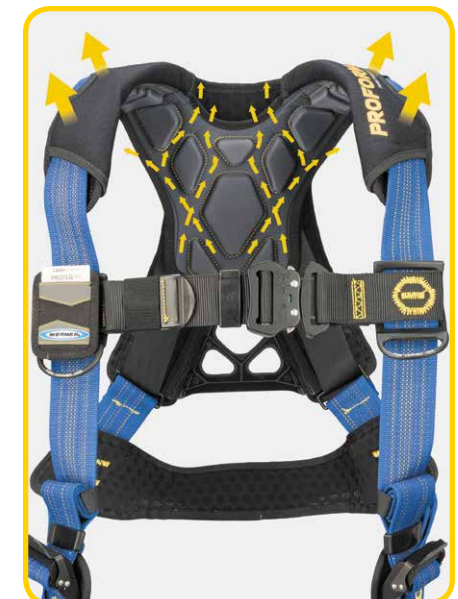

FREEDOM

You are not just a construction worker, you are an occupational athlete and you need freedom of movement to get the job done. The ProForm™ F3 harness is athletically styled, constructed with lightweight materials and breathable padding where you need it most to deliver maximum freedom.

Athletic Design with Lightweight Materials

Comfort Padding with Cooling Design
