

Magnetic Centering Punch

- ✓ Easy to read digital gage
- ✓ Spring-loaded striking pin
- ✓ Magnetic base
- ✓ Removable gage with magnetic base

Center head with magnetic aluminum base can be used on the circumference of pipe or tanks. Digital gage provides highly visible, accurate reading when establishing a centerline. Built in spring loaded hardened striking pin marks location with the push of a button. Detachable digital gage comes with a magnetic base for additional leveling applications. Plus, digital gage doubles as an angle finder and can be zeroed out during fabrication.
