

Southwire®

DESAW

DRYWALL JAB SAW

Our Drywall Jab Saw is designed with a triple cut blade for a fast and efficient cut. The sharp tip excels at plunge cutting, and its aggressive tooth design cuts fast.

STRONG BLADE
Hardened and tempered steel blade for long lasting durability and strength

COMFORTABLE GRIP
Overmolded cushion handle for comfort and firm grip

EASY TO START
Sharpened tip easily plunges through drywall

SHARP
Sharp cross-ground teeth cut through drywall, wood or plastic

BI-DIRECTIONAL CUTS
7" blade with cross-grained teeth allows drywall to be cut in both directions
