

## PANELIFT® Cradle Tilt Memory Control Installation Guide

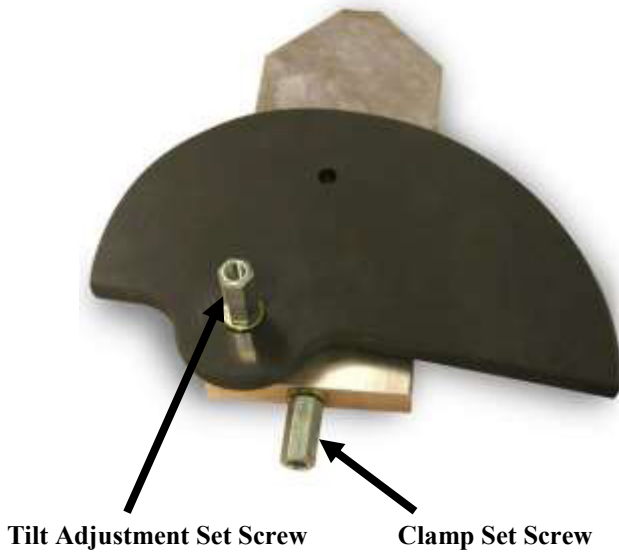

FIG 1

Tilt the PANELLIFT® Cradle into the loading position and set the Cradle Tilt Memory Control inside the Mounting Head Assembly (FIG 1).

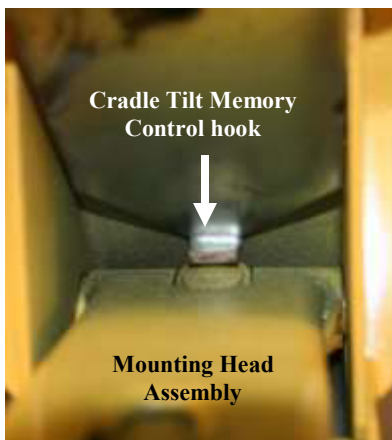

FIG 2

Set the hook under the Cradle Tilt Memory Control to engage inside the Mounting Head Assembly (FIG 2).

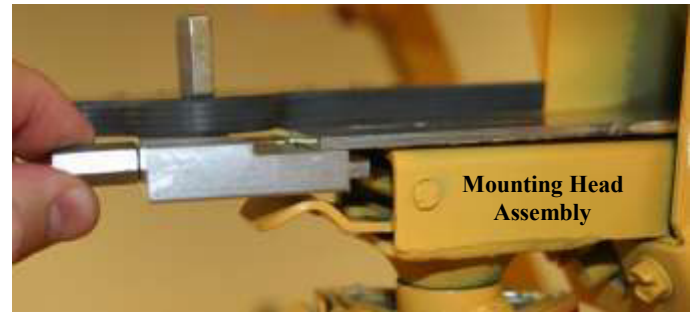

FIG 3

FIG 4

The Cradle Tilt Memory Control body should lay flat on the PANELLIFT® Cradle Mounting Head Assembly (FIG 3).

Tighten the Clamp Set Screw (FIG 3 & 4)

FIG 5

Use the Tilt Adjustment Set Screw to Loosen the Tilt Adjustment and tighten it down at the desired angle (FIG 5).
