ARMORBOSS™ COUNTER STAND SHIELD (ABR-2420)

CARRY ON THE CONVERSATION WHILE LIMITING THE EXCHANGE OF GERMS

ArmorBoss™ Counter Stand Shields from PS Public Protection™ effectively bring safe and convenient face-to-face communication to the workplace – all while limiting the transmission of germs. These protective shields come equipped with two base options: affixed and free standing. This provides the user with the ability to either attach the shield in a permanent position or freely move it from location to location. The shield can even act as a particle barrier for machine guarding in an industrial environment.

- **Perfect for high-traffic areas such as countertops or reception desks** – Hold in-person conversations while keeping employees and customers safe
- **Allows for safe, face-to-face communication** – The ArmorBoss Counter Stand Shield limits the transmission of germs between both parties
- **Mobile design allows for use virtually anywhere** – Free-standing and affixed-base options allow for shield to be attached in place or moved between locations
- **Works for machine guarding** – Keep visitors away from equipment in your factory or protect your team against particles
- **Made with durable, clear acrylic plastic** – Stands up to years of use and is easy to keep clean
- **Available in one stock size** – (24.5" width x 20.5" height)

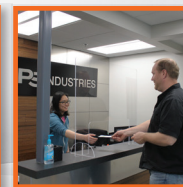

**100% CUSTOMIZABLE
