

CHEVY CITY EXPRESS THIRD BRAKE LIGHT BACKUP CAMERA RVS-924

The Chevy City Express Backup Camera sits right underneath the third brake light in the Chevy Express vans for a clean, factory-like install. With 580 TV lines and a 170° viewing angle, this camera combines a high quality image with an ultra wide viewing angle for the perfect view behind your vehicle. Camera comes with RCA connections to connect to any monitor with RCA inputs and a one year warranty.

Note: Works on City Express models from 2010 and up.
